VINEYARD AND WINERY

Lillie Vineyard

2018
Sauvignon Blanc

Lillie Vineyard is a five acre vineyard located just west of the Langtry House. Like its namesake, Lillie is unique, unlike most Sauvignon Blanc plantings. Its restrictive, shallow, magnesium-laced soils produce modest yields for a vigorous variety. The fruit is concentrated and quite complex, displaying grapefruit, gooseberry, fig and melon.

Tasting Notes:

The Sauvignon Blanc has zesty notes of lemon, white peach and apricot. This wine is crisp and has a refreshing long finish that has layers of minerality, white peach, orange blossom and lemongrass.

Winemaking Notes:

Appellation: Guenoc Valley
Varietal: 100% Sauvignon Blanc
4 months stainless steel aged
4 months neutral barrel aged
